

Minerai d'uranium  
Extraction

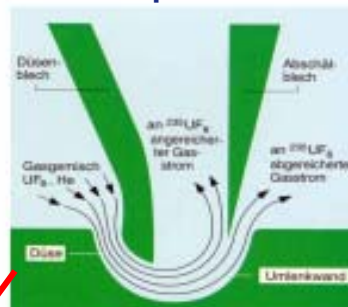

Principe des centrifuges

Enrichissement par centrifugation

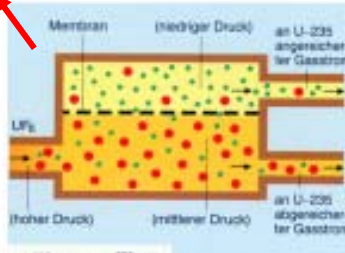

Principe des tuyères de séparation

Assemblage combustible

Enrichissement de l'isotope uranium 235

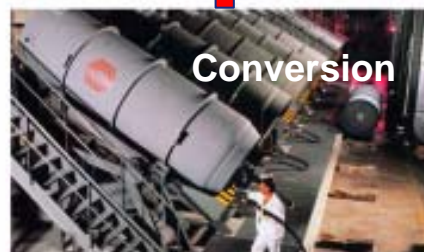

Principe de la diffusion gazeuse

Dioxyde d'uranium, pastilles d'UO2 (pellets)

Préparation

Oxyde d'uranium  
U3O8

Conversion

Transformation en hexafluorure d'uranium gazeux, UF6
